Expanded nationally in areas of interest, it covers all its clients' requirements promptly and with the highest degree of professionalism, serving both local and international markets.

With the aim of developing in the market, LIMBURG SRL has become one of the few companies that have the right to import and trade petroleum products (license SERIA: AC NR: 000616).

Based on the correct principles in the relationship with the clients and constantly increasing the credibility performance on the Moldovan market, the company obtained in 2016 certification in Quality Management System SR EN ISO9001: 2015 (IQnet / SRAC certificate RO-10910)

Various types of cereals are cultivated on the company's fields and, starting with 2016, some of them have been included in the ecological project

The company has its own facilities with grain storage capacity of over 80,000 to, the main 60,000 base being located in Lapusna (about 20 km from the Albita-Romania border) and the secondary base in northern Moldova at Soroca.

Limburl Srl has a working license in road transport (SERIA License: A MMI NR: 052391), the logistic support being provided by the 20 own trucks, plus another 100 through permanent collaborators at national level and partners from Romania.

The cereals exported from the Republic of Moldova were destined for the big consumers in Romania (such as PREMIUM PORC FEED SRL, ARGUS SA, PRUTUL SA, SAPRESPICE SA, GOODMILLS, BUNGE and a.) As well as through Romania through the port of loading Braila And Constanta, where they have been transported in fluvial-maritime units to their final destinations (KIRAZOGLU CORPORATION, METCHIM, ADM ROMANIA, HERCULES SA, GLENCORE PROTEIN ROMANIA SRL, AGROLINO, ASTRA BIOPLANT OOD and others).

Starting December 2016, the company signed a port service contract with the Frial operator (Dana 53), a location that can allow it to ship over 5,000 TDW.

The company aims to continue its expansion at national and international level by opening new work points, investing in infrastructure, developing customer portfolio and increasing turnover.
